

Bailey Greer

Registered Nurse

Licensed Registered Nurse (RN) excited for the opportunity to work in the ICU of a Level 1 trauma center like Bellevue Hospital. Strong communication skills and work ethic have made me a valuable advocate for patients and their families throughout my career.

WORK EXPERIENCE

UPMC Oakland - Emergency Room

Registered Nurse (RN)

Pittsburgh, PA | September 2017 - current

- Provided full range of care from wound treatment to broken bone immobilization to the administration of medication for over 25 patients per shift in the emergency room
- Specialized in care for elderly, terminal patients in emergency room to ensure patient dignity during end-of-life care
- Oversaw a team of 3 registered nurses and 2 nursing aides
- Collaborated closely with doctors on staff to clearly communicate patient care plans with patients and their families
- Instilled a culture of communication with vulnerable patients to ensure 87% positive patient-care outcomes
- Led community outreach to reduce rate of drug overdoses by 5% by providing education on early signs of overdoses

Trinitas Hospital

Registered Nurse (RN)

Pittsburgh PA | August 2012 - September 2017

- Worked as a nurse in the ER of the Level 1 trauma center
- Triageed patients as they entered ER, and expedited treatment by 30 minutes for patients needing immediate care
- Communicated and collaborated with 15+ medical specialists throughout hospital to ensure high-level care for patients
- Fostered a culture of thorough, detailed, and organized documentation to improve efficiency by 8% for healthcare providers when interacting with new patients
- Maintained an empathetic approach to patient care, and answered patient questions around illness or care
- Administered medications, injections, and IV treatments
